Free Trolley

Take a leisurely tour through historic downtown Wilmington on the free Downtown Trolley. Stroll through history, enjoy fine cuisine or shop at some of the finest stores on the East coast, all without having to move your car.

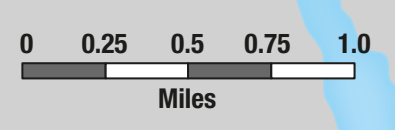

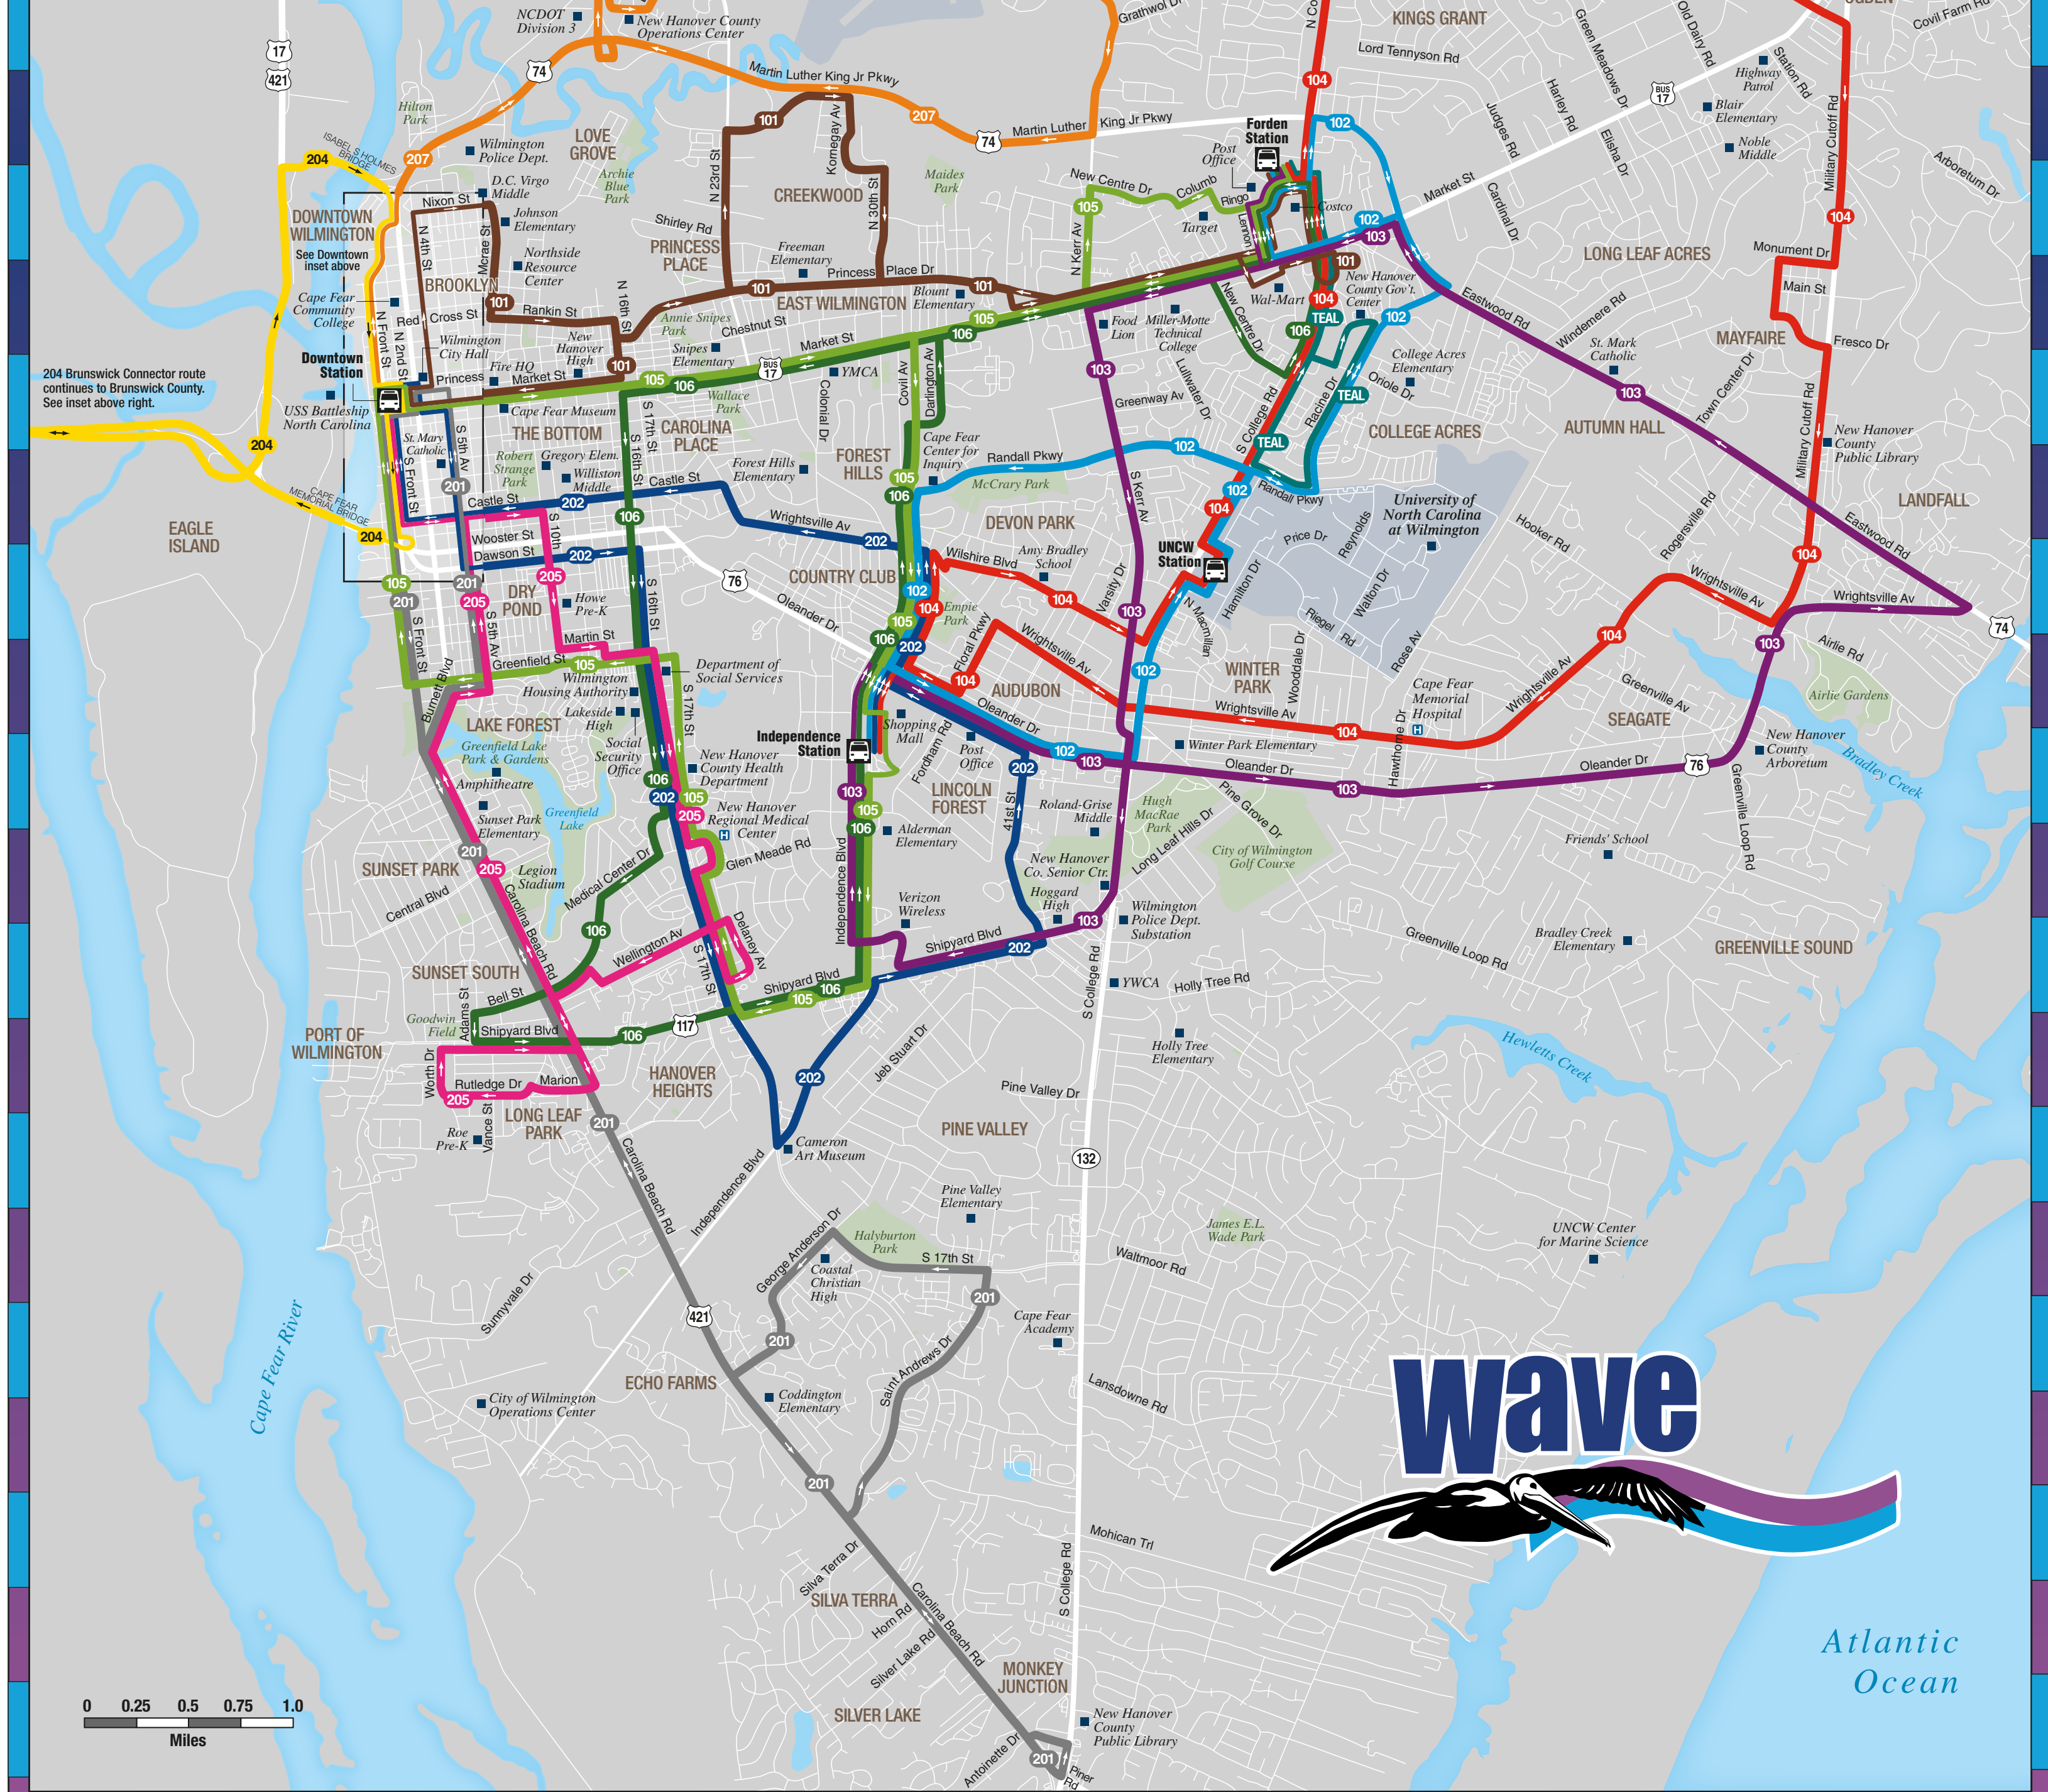

The Trolley serves the City and County parking decks, City Hall, Thalian Hall, the New Hanover County Courthouse, Cape Fear Community College, and many shops and restaurants on Front and Water Streets. Passengers can board the trolley at any intersection or by waving to the driver. For safety purposes, Wave Transit encourages passengers to board at intersections, but with slower moving traffic, especially on Front Street, hailing the trolley is perfectly safe.

Trolley operators are happy to assist passengers and answer questions, but they are not tour guides. Please remember, their main responsibility is to safely operate the trolley.

So the next time you're in the downtown area, relax and let us do the driving. You can help make the downtown a better place to live, work and breathe easier, without the hassles of traffic and parking. There is no charge to ride the trolley, and operators are prohibited from accepting gratuities. Enjoy the ride!

Schedule Information

- For den Station = 505 Cando Street, Wilmington, NC 28405
- Independence Station = Independence Blvd. at Independence Mall
- UNCW Station = Campus of UNCW/Trask Coliseum
- Downtown Station = 2nd St./Princess St.
- Time points listed on this map are only to assist you in planning your trip. All bus routes have many other bus stops for which you may board. Please see a complete list of all bus stops at www.wavetransit.com.
- Time points indicate the minutes after each hour that a bus will arrive at a specific location.
- Peak service operates on a 30 minute frequency (Mon-Fri 6:30am-6:30pm) and off peak service operates on a 60 minute frequency.
- The last bus operating during peak hours begins at 6:00pm (Mon-Fri) and ends its route at 7:00pm.
- The last bus leaves its starting point at 8:30pm and ends at 9:30pm (Brunswick Connector leaves its starting point at 5:30pm and ends at 6:30pm).

Bus Signs & Markers

To board a bus at a particular stop, you should arrive at least five (5) minutes prior to the scheduled arrival time of the bus.

When catching the bus, look for destination signs above the windshield that will give you information on the routes and destinations. When waiting at a bus stop, look for these bus stop signs that will list the route number and time (minutes after the hour) the bus will stop at that location. Both timepoints indicate when a bus will arrive during peak service. The second timepoint is the arrival time for off peak and weekend service. Wave Transit buses do not stop for passengers who are not waiting at official Wave Transit bus stop locations.

Real Time Bus Tracking

Wave Transit wants to make tracking your bus as easy as possible. You can track your bus in real time on the web, www.wavetransit.com, or use our text message program. The program is free (you may incur text message charges from your cell phone provider) and does not require you to sign up for this service. To take advantage of this service, enter the bus and route number into the text message block of a text message and send to phone # 90947. For example, if you would like to find where Bus 102 is located along the route, enter "Bus 102" in the text message block of your phone and send to phone # 90947. Regardless of the route, you will send all inquiries to phone # 90947. You will receive a text message to your cell phone within 30 seconds telling you where the bus is located. We are committed to providing this service 24/7; however, Wave Transit is not liable for technical or network interruptions.

Rack N Ride

Bike racks are located on the front of all Wave Transit vehicles, accommodate up to two bicycles, and your bike rides free. Use of bike racks is at your own risk. Motorized bikes or scooters are not permitted. Bikes are not permitted to have any loose item attached to the bike while riding on one of our vehicles.

Holidays

Wave Transit does not operate on the following holidays:

- New Year's Day
- Martin Luther King, Jr. Day
- Easter
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving
- Christmas Day

The Seahawk Shuttle

The Seahawk Shuttle was initially implemented in 1997 to transport UNCW student passengers within one mile of campus. Currently, the shuttle transports students and employees throughout the campus and surrounding areas. The shuttle decreases traffic and makes movement within the campus safer and more efficient. The shuttle has decreased the need for additional surface parking at the university, thereby maintaining precious green space.

Students and employees of UNCW are eligible to ride all Wave Transit fixed route buses for free by simply showing a valid student or employee UNCW ID card. All Wave Transit Passengers may ride UNCW Shuttles and pay regular fare. For more information about the UNCW shuttle routes, you may pick up a map at the UNCW Auxiliary Services office or visit our website, www.wavetransit.com

Paratransit Services

Wave Transit is responsive to the mobility needs of citizens of the City of Wilmington and New Hanover County. We encourage individuals with disabilities to take advantage of the independence and flexibility that is provided by our transit system. Both seniors and individuals with disabilities can ride for a reduced fare, and please be aware that service animals are allowed on all Wave vehicles. We also have a variety of specialized transportation services for disabled individuals. For more information about these services please visit our website www.wavetransit.com or call one of our paratransit specialists at (910) 343-0106.

Express Yourself

Our goal at Wave Transit is to provide you with safe, convenient, affordable, clean, and on-time service. We want to hear your complaints, compliments or suggestions. To communicate with us:
