

**CAPE FEAR PUBLIC TRANSPORTATION AUTHORITY
(WAVE TRANSIT) WILMINGTON, NC
INVITATION FOR BIDS
Trolley Replica Buses
Solicitation # 19-05
ADDENDUM 2**

Date of addendum: January 10, 2019
Reason for Addendum: Response to Question
Addendum issued by: Albert Eby, Executive Director

1. Section 9.7 Service Life

- Q. We are very interested in participating in your bid and are willing to go thru the approved equals to seek your approval on a few other items we would not meet. However previous to doing that the biggest question is if you would accept our 7 year Altoona Test in Lieu of the 10 year as requested in your bid?*
- A. Request is denied. The minimum useful design life of the bus in transit service shall be at least ten (10) years or 350,000 miles. It shall be capable of operating a minimum of 35,000 miles per year, including the 10th year.

- END OF ADDENDUM -
