Bike rack positions are on a first-come, first-served availability.

## Bus Signs & Markers

To board a bus at a particular stop, you should arrive at least five (5) minutes prior to the scheduled arrival time of the bus.

When catching the bus, look for destination signs above the windshield that will give you information on the routes and destinations. When waiting at a bus stop, look for these bus stop signs that will list the route number and time (minutes after the hour) the bus will stop at that location. Both timepoints indicate when a bus will arrive during peak service. The second timepoint is the arrival time for off peak and weekend service. Wave Transit buses do not stop for passengers who are not waiting at official Wave Transit bus stop locations. Buses will only drop off passengers at official stops.

## The Seahawk Shuttle

Students and employees of UNCW are eligible to ride all Wave Transit fixed route buses for free by simply showing a valid student or employee UNCW ID card. All Wave Transit Passengers may ride UNCW Shuttles and pay regular fare.

For more information about the UNCW shuttle routes, you may pick up a map at the UNCW Auxiliary Services office or visit our website, [wavetransit.com](http://wavetransit.com)
