FTA grant(s) will be applied for by the Cape Fear Public Transportation Authority for passenger amenities; vehicle overhaul; two-way radios; one (1) revenue vehicle; and telecommunication system.

No persons, families, or businesses will be displaced by this project. The service area of the project includes New Hanover County and its immediate urbanized environs as defined by the planning area boundary of the Wilmington Urban Area Metropolitan Planning Organization.

No significant environmental impact is expected upon the service area as a result of this project.

The projects are in the adopted Metropolitan Transportation Improvement Program, State Transportation Improvement Program, and the Unified Planning Work Program (as applicable), for the Wilmington metropolitan area. The projects were adopted by the NC Board of Transportation on February 04, 2016 and August 04, 2016.

The project will take into consideration the special needs of the elderly and disabled by providing half fare rates for those persons age 65 and older and qualified disabled individuals utilizing the fixed route service. In addition, complementary Paratransit service is available for those individuals who meet the criteria outlined in the Americans with Disabilities Act.

The Cape Fear Public Transportation Authority will afford an opportunity for all interested parties to be heard with respect to the social, environmental, and economic aspects of the above projects, if requested.

A copy of the applications, the Metropolitan Transportation Improvement Program, the Public Transportation Element of the State Transportation Improvement Program, and the Unified Planning Work Program, are available for inspection at the Cape Fear Public Transportation Authority administrative office located at 505 Cando Street, Wilmington, North Carolina, 28405 between the hours of 8:00am and 4:30pm Monday through Friday.
