

## WHAT ARE THE PROPOSED CHANGES FOR RIDEMICRO ZONE 1?

Wave Transit's ongoing Reimagine Wave Transit study is recommending changes to bus service to make routes more direct, less duplicative, and easier to understand. **Due to uncertain funding levels, we are seeking your feedback on how services could change based on 30% less funding, existing funding levels, and 30% more funding.**

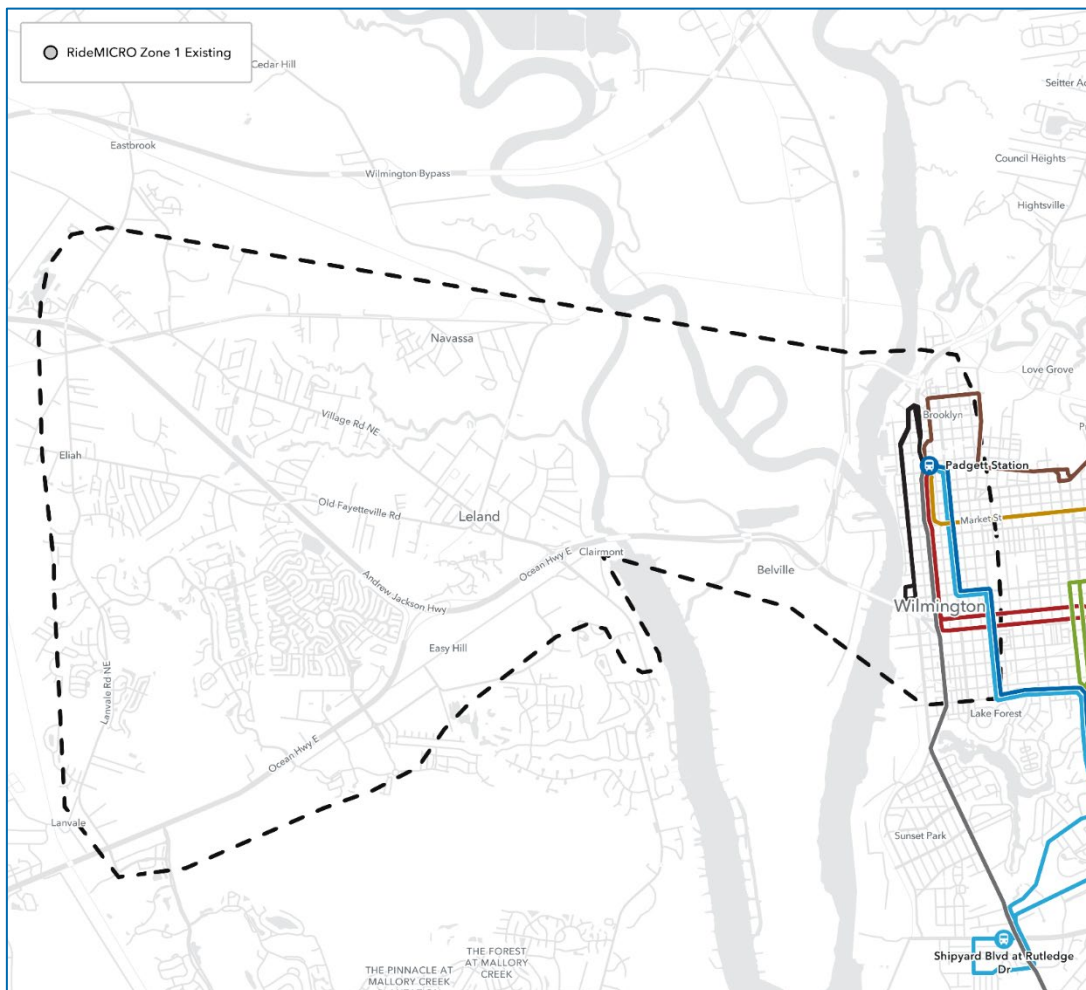

## How can I provide feedback on these recommended changes?

Please follow the QR code to fill out a comment form, or find a comment card at one of Wave's transit centers or online at [www.wavetransit.com/reimagine-wave-transit/](http://www.wavetransit.com/reimagine-wave-transit/). Alternatively, you can call Wave at (910) 202 - 2045 or email us at [info@wavetransit.com](mailto:info@wavetransit.com) with your feedback.

## How would Zone 1's area change for the three funding scenarios?

- **Under all three scenarios, Zone 1 would be discontinued** due to a loss of funding for transit service outside of New Hanover County. Riders traveling within downtown Wilmington can use other routes, including new frequent service provided by Route 205 and Route 210.

**Under all three funding scenarios, what other services would replace RideMICRO Zone 1?**
