

## WHAT ARE THE PROPOSED CHANGES FOR THE RED SHUTTLE (RT 703)?

Wave Transit’s ongoing Reimagine Wave Transit study is recommending changes to bus service to make routes more direct, less duplicative, and easier to understand. **Due to uncertain funding levels, we are seeking your feedback on how services could change based on 30% less funding, existing funding levels, and 30% more funding.**

### How can I provide feedback on these recommended changes?

**Please follow the QR code to fill out a comment form, or find a comment card at one of Wave’s transit centers or online at [www.wavetransit.com/reimagine-wave-transit/](http://www.wavetransit.com/reimagine-wave-transit/). Alternatively, you can call Wave at (910) 202 - 2045 or email us at [info@wavetransit.com](mailto:info@wavetransit.com) with your feedback.**

### Changes for **UNCW Shuttles** are identical for all three scenarios.

- The Red Shuttle would be discontinued. **Service will be replaced by a more frequent and shortened Yellow Shuttle.**
- The redesigned Yellow Shuttle would provide service between Varsity Dr and Teal Terminal via the College Rd Park and Ride in both directions. These changes would **improve access for riders travelling between campus, the College Rd Park and Ride, and student housing near Varsity Rd.**

	Current Schedule (Red Shuttle)	All Scenarios (Yellow Shuttle)
Weekdays (Monday-Friday)*	7:20 AM – 5:40 PM: Every 20 mins	<b>7:00 AM – 5:45 PM: Every 15 mins</b>
Saturdays	No Service	Unchanged
Sundays	No Service	Unchanged

\*This route would continue to operate during the UNCW school year only.

# How would the Yellow Shuttle's (which would replace the Red Shuttle) routing change?

1

The Red Shuttle would be replaced by a shortened and redesigned Yellow Shuttle. Service on College Rd would be replaced by Route 109 Shipyard-Forden and Route 107 College Rd.
